EXTRACURRICULAR ACTIVITY

WEBINAR ORGANIZER

CHAIRPERSON | FEB 2024 - APR 2024

As the group leader and organizer of the webinar "Digital Age Investing: Cryptocurrency Trends & Tactics," my role involved coordinating and guiding a team of professionals to successfully execute the event.

Additionally, my involvement in organizing and leading this webinar showcases my interest and knowledge in the field of cryptocurrency and digital investing, further enhancing my qualifications for roles in finance, technology, or related industries.
